

AI-IoT 2023

Aspects of VR Web components Exercises

Phillip G. Bradford
University of Connecticut

Outline – exercises from MDN code

Get word count from MDN (Mozilla) working

Add to the clone code the ability to update the year properly

Up to 2099

Add a pop up saying "Yeah" for CCWC 2023

Make the timer count from 1000 to 0 and stop at 0

Add Hide and Show buttons to the Square extension

Use the MDN class provided to start

Add a timer to show/hide the square about every ½ second
