AI-IoT 2023

Aspects of VR
Web components
Exercises

Phillip G. Bradford

University of Connecticut

Outline – exercises from MDN code

Get word count from MDN (Mozilla) working

Add to the clone code the ability to update the year properly
   Up to 2099
    Add a pop up saying "Yeah" for AI-IoT 2023

Make the timer count from 1000 to 0 and stop at 0

Add Hide and Show buttons to the Square extension
     Use the MDN class provided to start
     Add a timer to show/hide the square about every ½ second
